

Akelius Residential Property AB (publ)

Anders Lindskog chairman of Akelius

Leif Norburg resigns after nine years as chairman of Akelius on his own request, due to age.

Leif will remain on the board as ordinary member.

During his time as chairman the company has five-folded the assets and nine-folded the equity.

Today three hundred employees work with development, nine hundred employees work with the running business.

One of the ordinary board members, Anders Lindskog, will take over being the chairman.

Anders Lindskog, 57 years old,

has managed several large construction projects.

Roger Akelius:

"Leif and I have spent hundred days together during his mission in Akelius.

45 years ago, when Leif was a bank officer at Smålandsbanken,

he managed my private accounts when buying houses and shares.

Leif assisted my company in buying premium bonds from 1974 to 1980.

When Leif Norburg resigned as managing director of Danske Bank Sweden,

we were fortunate to have him as chairman of Akelius.

Thank you Leif for your contribution during all these years."
