

Akelius Fastigheter AB (publ)

Approved listing prospectus

On 6 November 2013, Akelius Fastigheter AB (publ) announced that the company successfully issues bonds of SEK 280 million within a frame work amount of SEK 1,000 million.

In order to be able to list the issued bonds, Akelius has prepared a listing prospectus. The prospectus has been approved by the Swedish Financial Supervisory Authority and Akelius has applied for affiliation of the bonds on NASDAQ OMX Stockholm.

The prospectus will be available on Akelius' webpage, www.akelius.se, and be published on the Swedish Financial Supervisory Authority's webpage, www.fi.se.
