

Akelius Residential AB (publ)

Akelius acquires 54 apartments in London

The property is located in Southgate in northern London and was built in the 1930's.

As of the acquisition Akelius holds 986 apartments in London. The ambition is to grow through the exact right properties, cherry picking.

Managing Director Pål Ahlsén: Southgate is an area increasing in popularity, particularly among young academics and workers. The property will be upgraded to First Class.
