

Akelius Residential AB (publ)

Akelius invests in Paris

The property is located in the eighteenth district, 4 kilometers from the center of Paris. The property was built in 1900 and has 40 apartments. This is Akelius first investment in Paris. Akelius's goal is to build a business in Paris as successful as those in Germany and Sweden.

Managing Director Pål Ahlsén: Paris has 10 million inhabitants and grows by 100,000 people every year. Demand for apartments is enormous, and thus the potential is very high. The property will be upgraded to First Class.
