

## **Elekta establishes bond program**

STOCKHOLM, March 9 – The Swedish Financial Supervisory Authority (*Finansinspektionen*) has today approved Elekta's (EKTA-B.ST) prospectus as part of Elekta's establishment of a Medium Term Note (MTN) Program, with a limit of SEK 5 billion.

Elekta AB (publ) is the issuer of the MTN Program, which enables issuing of bonds on the Swedish market.

“Effective financing is an important part in the continued implementation of our strategic agenda and continued growth. The bond program gives us a broader opportunity to diversify our funding,” says Håkan Bergström, CFO.

The prospectus is available on Elekta's website [www.elekta.com](http://www.elekta.com) and will be available at [www.finansinspektionen.se](http://www.finansinspektionen.se).

Elekta has appointed Skandinaviska Enskilda Banken (SEB) as lead manager and SEB, together with Danske Bank, as the issuing agent.

### **About Elekta**

Elekta is a human care company pioneering significant innovations and clinical solutions for treating cancer and brain disorders. The company develops sophisticated, state-of-the-art tools and treatment planning systems for radiation therapy, radiosurgery and brachytherapy, as well as workflow enhancing software systems across the spectrum of cancer care. Stretching the boundaries of science and technology, providing intelligent and resource-efficient solutions that offer confidence to both health care providers and patients, Elekta aims to improve, prolong and even save patient lives.

Today, Elekta solutions in oncology and neurosurgery are used in over 6,000 hospitals worldwide. Elekta employs around 3,800 employees globally. The corporate headquarters is located in Stockholm, Sweden, and the company is listed on NASDAQ Stockholm. Website: [www.elekta.com](http://www.elekta.com).
