

2012-09-11 CIO Governance Experience

Sigma is participating as keynote partner at CIO Governance Experience.

CIO Governance Experience is an event focusing on the art of leading, governing and prioritizing IT, based on operational needs. The event is directed to CIOs, IT administrators, IT strategists, IT executives, CFOs and those responsible for your company's IT architecture. Sigma's Johan Hallberg will be speaking about trends in both IT governance and architecture, as well as the connections between them.

When: September 11

Location: Stallmästaregården, Stockholm
