## Peab receives several new contracts for road maintenance

**Peab has been commissioned to maintain and repair public roads in Gällivare, Strömsund, Sollefteå, Sundsvall, Gävle, Karlstad and Southern Gotland. The customer is the Swedish Transport Administration and the total value of the contracts for the seven areas is around SEK 742 million over four years.**

The commission entails winter road maintenance and snow free maintenance and stretches over a four-year period starting 1 September 2017. There is an option for an extension of one or two years.

“Winter and summer maintenance of federal roads is an interesting and important market for us. We are therefore very pleased to be able to continue working with Strömsund, Sundsvall, Gävle och Karlstad and that in addition we have added Gällivare, Sollefteå and Southern Gotland,” says Jörgen Eriksson, Region Manager at Peab.

All the projects will be order registered in the second quarter of 2017.
