## New responsibilities within Peab's Executive management

In order to further enhance the production focus in Peab's top management, has an adjustment of responsibilities been implemented within the Executive management.

Roger Linnér has been appointed Production Manager (COO) and Business Area manager Construction. Roger has worked at Peab since 1996, most recently as Business Area manager Civil Engineering and he is already a member in the Executive management.

Karl-Gunnar Karlsson, Business Area manager Industry, has been appointed to also be manager Business Area Civil Engineering. K-G has worked at Peab since 2003 and is already a member in the Executive management.

Niclas Winkvist, Manager of Business Support and Investments, takes a coordinating responsibility for Peab's construction operations in Norway and Finland. Niclas has worked at Peab since 1995 and is already a member in the Executive management.

Members of the Executive management and responsibilities after the changes:

- Jesper Göransson, CEO, acting President and CFO
- Niclas Winkvist, manager business support and investment, coordination officer building Norway and Finland
- Tina Hermansson Berg, manager of Human Resources
- Roger Linnér, Production Manager (COO) and manager business area Construction
- K-G Karlsson, manager business areas Civil Engineering and Industry
- Tomas Anderson, manager business area Property Development

"The current changes are made to further strengthen the Executive management's focus on production issues, but also to increase the opportunities for collaboration and sharing of resources between divisions" says Jesper Göransson CEO and Acting President of Peab.
