Luxury For Less At Vilu Reef Beach & Spa Resort

For those that think swaying palms, coral reefs and white-sand beaches are an unaffordable dream, take a lavish Indian Ocean break to the Maldives at Vilu Reef Beach & Spa Resort this winter and be surprised at the savings available. As part of the resort's exclusive Early Bird offer, couples can save up to £240 on winter departures when booked before 30 September, an idyllic escape to look forward to when the warm weather passes.

Situated in the remote South Nilandhe Atoll, accessible by seaplane, this traditional resort is blessed with pristine beaches, an abundant green interior and a beautiful protected lagoon. Enjoy exploring the narrow, sandy paths barefoot, snorkelling the colourful marine life on the house reef, or relax with a luxurious spa treatment. Dining at Vilu Reef is a treat for the taste-buds, with a blend of exotic and western cuisine available, as well as plenty of locally caught fish and seafood. For special occasions, dinner for two can be arranged on the beach, by the infinity pool or in the privacy of a guest room.

Destinology (0800 072 2227 / www.destinology.co.uk) offers seven nights at Vilu Reef Beach & Spa Resort from **£1,499 per person (saving over £240 per couple)**. Valid on bookings until 30 September, for selected departures in November (based on two sharing and subject to availability), the price includes flights from Gatwick with Emirates, accommodation in a garden villa on a half-board basis, seaplane transfers, taxes and surcharges.
