

Tuesday Morning Makes House a Home on Makeover Series for Family in Need on Designing Spaces™ on Lifetime TV

Decorative home accessories donated by Tuesday Morning help Florida family in need on "Spaces of Hope - Rebuilding Together" special makeover series

(Pompano Beach, FL – April 16, 2013) Tuesday Morning Corporation teamed up with Designing Spaces™, the popular home improvement show on Lifetime Television, for the third and final episode of the "Designing Spaces of Hope - Rebuilding Together" series. The segment featuring Tuesday Morning airs on Thursday, April 18th at 7:30 am (ET/PT).

The Designing Spaces™ crew was on location to film the renovation of a grandmother's home where she and her four grandkids had been living in unsafe conditions including no running water or electricity.

During the episode, Cindy Kahn from Tuesday Morning, a leading closeout retailer of upscale, decorative home accessories, housewares and famous-maker gifts in the USA meets up with our Designing Spaces™ host to showcase the store's offerings. Tuesday Morning provides merchandise for the grandmother's newly made over house.

"We're thrilled that Tuesday Morning came on board to be a part of our special project. They certainly capture the essence of giving back and the accessories they generously provided transformed the house into a true home," says Lysa Liemer, Designing Spaces™ on Lifetime Executive VP of Programming and Chief Operating Officer.
