(Pompano Beach, FL – CISION – August 20, 2013) – Popular morning show The Balancing Act® airing on Lifetime TV welcomes Kinn, Inc. – makers of the Kudose pet pill concealer -- to the show. The company will be making its appearance on an upcoming “Pet Watch” segment set to air in late 2013.

A representative from Kinn will join The Balancing Act® to introduce to viewers their Kudose pet pill concealer device, which turns pills into customized pet treat capsules that taste and smell like a cat's or dog's favorite treats, making it easier for them to take their pills.

“We look forward to having Kinn Inc. on our show to help empower our pet parent viewers with this innovative device so their pets can get the pills they need,” says Doug Campbell, Executive VP of Programming for The Balancing Act® on Lifetime TV.
