Arcam receives two orders for EBM systems for China

Arcam, listed on NASDAQ OMX, has received two separate EBM system orders from two Chinese clients. The systems will be shipped late 2013.

"These new orders confirm the importance of the market in Asia in general, and China in particular. We now have more than 10 systems installed in the region, and the market is growing quickly", says Magnus René, CEO of Arcam.

The above information has been made public in accordance with the Securities Market Act and/or the Financial Instruments Trading Act. The information was published on August 14, 2013.
