

## Rebecka Wallenstam new Group Controller

**Rebecka Wallenstam takes over as new Group Controller of Wallenstam AB on January 1, 2017**

The role, which is a subordinate position to the CFO Susann Linde, includes responsibility for the controller department as well as line management responsibility. Rebecka Wallenstam will gradually take up her new role during the fall and winter.

“It will be exciting and interesting to work with the bigger picture in order to analyze and immerse myself in the management and development of the business,” says Rebecka Wallenstam.

“It is extremely positive that Rebecka wants to accept the challenge as Group Controller. She has a broad knowledge of the operations, demonstrates amazing commitment and has a business mindset,” says Susann Linde, CFO Wallenstam AB.

Rebecka Wallenstam was born in 1991 and is the daughter of Hans Wallenstam. Starting in 2013, she worked in the sales department at Svensk NaturEnergi and since 2015 she has worked with issues related to investor relations and control at Wallenstam. She also previously worked at Wallenstam’s customer service department in parallel with her Business and Economics studies at the School of Business, Economics and Law, University of Gothenburg.

“As a father, I am delighted that Rebecka is showing such commitment and will now have a leading role in the company,” says Hans Wallenstam, CEO Wallenstam AB.

Rebecka Wallenstam will take over as Group Controller of Wallenstam AB on January 1, 2017.
