Leading VoIP Dispatch Console Provider Avtec, Inc. Announces New Executive Sales Leader

Lexington, S.C. (Sept. 11, 2013) – Avtec, a leading provider of pure IP dispatch console systems for Land Mobile Radio (LMR) applications, announced today that John M. Suzuki has been named senior vice president of sales. Suzuki will provide leadership for direct and indirect sales efforts, strategic partnerships, and targeted business development strategies for Avtec's VoIP communications systems worldwide.

Suzuki brings nearly 30 years of LMR industry experience to his new role, including 20 years in management and executive roles for leading companies such as Motorola Canada, Ericsson, and EFJohnson. Most recently, Suzuki served as vice president of sales and marketing for 3eTI, a subsidiary of Ultra Electronics, a multi-million dollar defense, security, transport and energy company based in the United Kingdom.

"With his significant achievements in growing sales for leading LMR companies, and demonstrable leadership and management skills, John will be instrumental in expanding Avtec's footprint into core public safety, utilities, and transportation markets," said Michael Branning, Avtec's President and CEO.

Suzuki holds a BSEE degree from the University of Ottawa and a master's degree in business from Duke University.
