

Rejlers appoints head of communications

(REJL B)

Rebecka Oxelström becomes Rejlers' head of communications, a new position in Rejlers. Rebecka comes most recently from a similar position at Sweco.

Rejlers has grown extensively the last couple of years and has a continuously high growth target for 2015. It is going to be exciting to work with communications and branding in a company that grows in several markets, says Rebecka Oxelström.

Rebecka's main task will be to continue the development of the branding and communication issues, together with the company's communicators and Group Management.

Rebecka has a long experience in working strategically with communication issues. She has also a good knowledge of the industry that will be to great advantage for Rejlers, says Eva Nygren, Rejlers' CEO.

Rebecka Oxelström has for the last eleven years worked within the Sweco Group, both as press officer and most recently as head of communications.

Rebecka Oxelström will start up the new position on September 17th.
