# Rejlers appoints Erik Penser as Liquidity Provider

**Rejlers has appointed Erik Penser Bankaktiebolag as Liquidity Provider for its share which is traded on Nasdaq Stockholm. The aim is to decrease the difference between sell and buy prices and improve the share's liquidity. The Liquidity guarantee agreement starts on June 5, 2015.**

- The Liquidity guarantee provides Rejlers with a higher share liquidity, which gives a more accurate valuation and a lower risk premium for our investors says Rejlers' CFO Mats Åström.
