

Press release
Lund 2015-06-23

Press release: Nexam Chemical has received an order worth SEK 2.4 million.

Nexam Chemicals subsidiary Nexam St Andrews Ltd has received an order from a global pharmaceutical company with a value of approximately SEK 2.4 million. It is a former customer of the subsidiary that has placed the order. There are currently no discussions of additional orders.

The order concern a customer-specific product outside Nexam Chemicals product portfolio and will be produced at Nexam St Andrews production facility. Delivery is scheduled to take place during the fourth quarter.

“A new order from a former customer within the pharmaceutical industry is a confirmation that our production plant in Scotland can deliver with high quality” says Anders Spetz, CEO.
