

HyperX will be taking part at this year's Gamescom

Media Alert

HyperX will again be taking part at this year's **Gamescom** and presents interactive product demonstrations on **Wednesday, August 5th**, and **Thursday, August 6th**. We cordially invite you to visit us at the *Game Industry Business Lounge - hall 02.2, room B-010*.

Our product highlights include the new Predator PCIe SSD, Savage SSD, the new Cloud II headset, the USB Type-C DataTraveler microDuo 3C and the Mobilite Wireless G2.

In preparation for Intel's next generation processor Skylake, we would like to talk about our exciting upcoming launches such as HyperX Impact DDR4 and HyperX Fury DDR3L (low voltage).

In addition, we will showcase two powerful systems:

- 1) The limited edition Medion Eraser HyperX System; a high-end gaming PC equipped with HyperX Savage DRAM and SSD.
- 2) The InWin S-Frame Premium; a unique one-piece construction design concept equipped with HyperX Predator PCIe and DDR4 3000MHz.

You also have the chance to meet our experts for interviews.

HyperX takes pride in supporting the German gaming community. Visit our YouTube channel 'HyperXDE' www.youtube.com/HyperXDE for more information on our activities and involvement.

We would love to see you there!

Kind regards,
Your Kingston and HyperX Team
