## Beijer Electronics signs cooperation agreement and repurchases minority shareholding

Beijer Electronics and Mitsubishi Electric have signed a three year cooperation agreement building upon a 30 year relationship. This confirms Beijer Electronics as Mitsubishi Electric's preferred partner in the Nordic countries and the Baltic states and together we will continue to develop the market in this region.

In connection with this, Beijer Electronics and Mitsubishi Electric have agreed to the repurchase of Mitsubishi Electric's 15% minority shareholding in Beijer Electronics' business area Automation. The repurchase is in line with Beijer Electronics' strategy to become a leading independent supplier of user-friendly automation solutions on a global basis.
