

New Real Canadian Property Management Office Opens in Saskatoon

VANCOUVER, BC (December 13, 2013) – Real Canadian Property Management Professionals Inc. has opened for business to serve the Saskatoon rental housing market. The office, a franchisee of Real Canadian Property Management (RPM), benefits rental property owners who can watch their investment grow and avoid costly mistakes, while tenants receive a high level of service. The rental process is streamlined for all parties and maximizes results through optimized software, training, and a business model that the brand has perfected over the last 20 years.

"RPM brings consistency and specialized tools to the growing and underserved rental housing industry," said Don Lawby, President, Real Canadian Property Management Limited Partnership. "This market will benefit greatly from broker Carla Browne's over 20 years of real estate expertise. It's a privilege to welcome her to the RPM family."

Property owners gain specially trained managers who:

- Maximize rental value while filling vacancies faster using sophisticated rental valuation techniques.
- Prevent unexpected costs before they occur, by staying on top of property expenses and thoroughly screening tenants.

Tenants receive a high level of service and convenience:

- Access to a responsive, professional manager who regards them as a client.
- Consistency and fairness throughout the entire process, from searching to renting.

"There is a need in Saskatchewan for a company that offers quality management for property owners whether they are managing single or multi-family homes," said Carla Browne, Broker/Owner of Real Canadian Property Management Professionals Inc. "I feel our processes and systems guarantee the results owners want, in less time. I look forward to being part of the RPM family so we can grow together."

Real Canadian Property Management Professionals Inc. is open for business at 825-C 46th street, in Saskatoon, Saskatchewan and serves the surrounding area. For more information, visit realpropertymgt.ca.
