

# Asetek Receives Order from Fujitsu for Institute of Fluid Science at Tohoku University

**January 24, 2018** – Asetek today announced a new order from OEM partner Fujitsu for the Institute of Fluid Science at Tohoku University in Japan. The supercomputing system will consist of multiple computational sub-systems using the latest liquid-cooled Fujitsu PRIMERGY x86 servers, and is planned to deliver a peak theoretical performance exceeding 2.7 petaflops.

The order has a value of USD 420,000 with delivery to be completed in Q1 2018.

You can read more about the partnership at [Asetek.com](http://Asetek.com).

## About Asetek

Asetek is the global leader in liquid cooling solutions for data centers, servers and PCs. Founded in 2000, Asetek is headquartered in Denmark and has operations in California, Texas, China and Taiwan. Asetek is listed on the Oslo Stock Exchange (ASETEK.OL).
