Yggdrasil granted Romanian licences

Yggdrasil Gaming, Cherry's game development Business Area, has been granted two licences by Romania's National Gambling Office that permits Yggdrasil to supply licensed operators in the country with its portfolio of slots and promotional tools.

Fredrik Elmqvist, CEO of Yggdrasil Gaming, said: *"It is fantastic news that Yggdrasil slots will now be available to customers in Romania. Gaining this licence underlines our commitment to local regulated markets. We are working hard to strategically expand our jurisdictional reach and expect to see our licensed European footprint continue to expand."*

Yggdrasil has been granted licences in the UK, Gibraltar and Romania in recent months, in addition to its Malta licence.
