Tattoo Sales offers fans the opportunity to wear their favorite team's colors at the 2014 FIFA World Cup

TUCSON, AZ – June 11, 2014 – Tattoo Sales printed 2 million temporary tattoos for their customer Avantea Solutions, a large distributor in Colombia, to be handed out at the upcoming 2014 FIFA World Cup in Brazil, starting on June 12, 2014. The temporary tattoos are composed of various countries' flag colors of the teams participating in the World Cup. They will be distributed to more than 10 million fans attending the matches.

If you're a fan who is going to be attending the World Cup this year, be sure to be on the lookout for your favorite team's flag and wear it proudly as you watch the match.

Avantea Solutions is a Colombian firm that works exclusively with Tattoo Sales to distribute temporary tattoos and other products to Latin America. Avantea Solutions is a young company, yet its founders possess tremendous experience, allowing them to do business with more than 50 strategic allies in the merchandising and retail industry.

About Tattoo Sales

Tattoo Sales, a division of TMI Acquisition LLC, is proud to be celebrating 25 years as the largest manufacturer of temporary tattoos in the world. The company designs and manufactures its products in Tucson, AZ. Products are safe, non-toxic, hypoallergenic, use FDA certified colorants and comply with CSPC/CPSIA and ASTM requirements. All products meet or exceed US, Canadian and EU safety standards. The company's products have a worldwide reputation for quality. Tattoo Sales produces custom and in-stock temporary tattoos, as well as stickers, paint sheets and books, Skin Sugar, Tattootles, Scratch-N-Win cards and pocket calendars.
