# **Intrum Justitia publishes restated historical figures**

As previously communicated in the interim report for the fourth quarter of 2013, Intrum Justitia has changed the composition of the geographical regions as of January 1st 2014. The change implies that the Netherlands will be included in the region Northern Europe instead of the region Western Europe. Today, Intrum Justitia publishes historical restated figures for each quarter 2012-2013, adjusted for this change. The figures are available on the Group's website [www.intrum.com](http://www.intrum.com) under the tab [Investor Relations/Financial Figures/Restated Figures](#).
