Press release

Wihlborgs signs lease with Region Skåne in Helsingborg

Wihlborgs has signed a ten-year lease with Region Skåne for a property of about 800 m² in the Najaden 14 property at Drottninggatan 7 in central Helsingborg. A new cardiac centre will open in these premises and occupancy is scheduled for the start of the new year in 2017.

“We are pleased to be able to expand our partnership with Region Skåne, which is already a major tenant of Wihlborgs. Under the agreement we will be creating modern premises for a cardiac centre in an easily accessible central location,” says Anders Jarl, CEO of Wihlborgs Fastigheter.

The premises are located on the top floor of the property with views of the Öresund channel and central Helsingborg.
