Coor—growth in cleaning

Against intense competition, Coor has been awarded the assignment to deliver and develop cleaning services for Kalmar County Hospital. The yearly contract value is over SEK 20 m and has a five-year term.

This new assignment commences on 1 April 2018 and involves Coor hiring some 45 employees to deliver cleaning services. Cleaning is a priority growth segment for Coor, and this assignment emphasizes how Coor has a highly developed and competitive cleaning concept.

“Coor is now one of the market’s leading cleaning providers. In recent years, we’ve done a lot of work on our cleaning offering and developed Coor Cleaning Concept, which ensures high and consistent delivery quality in various types of environments, including sensitive ones like hospitals. We’re so proud to be entrusted by Kalmar Hospital, and are looking forward to taking on this assignment,” commented Karin Sparr, BU Manager at Coor.
