About Coor

Coor Service Management (Coor) is a leading Nordic facility management provider, focusing mainly on integrated and complex IFM contracts. Coor delivers specialist competencies in workplace services (soft FM), property services (hard FM) and strategic consultancy relating to clients' service operations. Coor creates value by carrying out, leading, developing and streamlining customers' service operations so they support core operations optimally over time. Coor's customer base includes many large and small corporations and public authorities in the Nordics, including AB Volvo, Aibel, DR (Danish Radio), E.ON, Ericsson, EY, ICA, NCC, Politiet (the Danish Police), Saab, Sandvik, SAS, Statoil, Skanska, TeliaSonera, Trafikverket, Vasakronan and Volvo Cars.

Coor was founded in 1998. The company was listed on Nasdaq Stockholm in June 2015. As of 31 March 2015, the company had some 6,600 staff (6,100 FTE), mainly in Sweden, Denmark, Norway and Finland with annual sales of SEK 7,200 m (rolling 12 months). Coor is a responsible business partner, employer and owner, and assumes responsibility for its wider impact on society and the environment. Read more at www.coor.com
