

## The OrganoClick-group signs agreement with leading Nordic paint company

The OrganoClick-group ("OrganoClick") has signed an agreement with a leading Nordic paint company ("Customer") for supply of a number of OrganoClicks green chemical products. Under the two year agreement, OrganoClick will produce and supply the Customer with products for a guaranteed order volume corresponding to revenue of SEK 15 million per year for OrganoClick, but the customers forecasted order volume in the agreement corresponds to revenue of SEK 30 million per year for OrganoClick.

"This is the biggest individual agreement OrganoClick has ever signed. Our sales activities and tests with this customer started several years ago and the last tests was performed with approved results this summer. This agreement will give us a solid growth and an improved result during the coming year", comments Mårten Hellberg, CEO OrganoClick.

The first delivery of products will be in Feb 2019 and the revenue will be reported under the business area Green coatings & maintenance products.
