

## **Getinge announces its continued commitment to the EuroELSO Conference 2017**

May 2, 2017

Maastricht, Netherlands

Getinge, a leading global provider of innovative medical technology, announces today its major sponsorship and attendance at the EuroELSO Conference in Maastricht, Netherlands from May 4-7, 2017. EuroELSO is the European branch of the Extracorporeal Life Support Organization (ELSO) an international consortium of health care professionals and scientists who are dedicated to the development and evaluation of novel therapies for support of failing organ systems.

“Getinge stays committed to support this meeting which is seen as one of the most important platforms for learning and networking opportunities for all healthcare professionals interested in the care of patients with both cardiac and respiratory failure. We will be organizing a training village at EuroELSO, which will be a combination of hands-on training and presentations. There we will host workshops on mechanical circulatory support, anesthesia, ventilation and advanced monitoring and will showcase acute care therapy products including Cardiohelp, Cardiosave, SERVO-U ventilators and Advanced Monitoring with a particular focus on Getinge Intensive Care Unit solutions.” shared Markus Stirner-Schilling, Vice President Marketing & Academy Europe Middle East & Africa.

Getinge will also support an important scientific symposia, titled “Transporting Patients on ECMO (extracorporeal membrane oxygenation) – Best Practice Sharing”, on Saturday 6 May 2017.

### **About Getinge at EuroELSO:**

Registered visitors are invited to visit Getinge on booth 01 from 4-7 May 2017, MECC, Maastricht, Netherlands.
