

## **Getinge announces its continued commitment to the EuroELSO Conference 2018**

May 16, 2018

Prague, Czech Republic

Getinge, a leading global provider of innovative medical technology, announces today its major sponsorship and attendance at the EuroELSO Conference in Prague from May 23 - 26, 2018. EuroELSO is the European branch of the Extracorporeal Life Support Organization (ELSO) an international consortium of health care professionals and scientists who are dedicated to the development and evaluation of novel therapies for support of failing organ systems.

"We are pleased to support this meeting which is seen as one of the most important platforms for learning and networking opportunities for all healthcare professionals interested in the care of patients with both cardiac and respiratory failure. Getinge is one of the key sponsors of the ECMO Experiment Workshop taking place at the Charles University, Prague First Faculty of Medicine on May 22 and here we will have the opportunity to demonstrate our Cardiohelp system. There will also be Live Surgery Sessions taking place on May 25 and 26 which will be broadcast to the main hall at the congress and we have the pleasure to be the exclusive sponsor of these events. In addition to the educational program, all attendees are welcome to visit the Getinge booth where we will showcase acute care therapy products including Cardiohelp and Cardiosave." shared Markus Stirner-Schilling, Senior Director, Acute Care Therapies, Global Commercial Operations.
