

Updated financial calendar

Clavister (Nasdaq:CLAV) has decided to update its financial calendar and release its forthcoming financial reports earlier than previously announced in order to provide faster feedback to the stockmarket and investors. In the 2017-01-01 – 2017-03-31 quarterly report published May 31, 2017 new dates were presented, however unfortunately an incorrect date was given for our third quarter report why we issue this clarification.

Correct dates for the forthcoming financial reports are as follows;

Q2 – August 15 (Tuesday)

Q3 – October 25 (Wednesday)

Q4 – February 15 - 2018 (Thursday)

The reports will be issued at 08.00 CET and will be available on the company's homepage www.clavister.com.

Please find a corrected quarterly report attached. The report has not been audited by the company's auditor.

//Ends

About Clavister

Clavister is a leading security provider for fixed, mobile and virtual network environments. Its award-winning solutions give enterprises, local and federal governments, cloud service providers and telecoms operators the highest levels of protection against current and new threats, and unmatched reliability. The company was founded in Sweden in 1997, with its solutions available globally through its network of channel partners. Clavister is a member of Intel's Network Builders program (networkbuilders.intel.com), a cross-industry initiative that enables telcos to build and manage business-critical infrastructures, with lower capital and operating costs.
