

Yet another order for Advenica – will provide services for the Swedish Defence Materiel Administration worth 3,6 MSEK

In 2015, the Swedish Defence Materiel Administration (FMV) signed a maintenance and support agreement with Advenica. Advenica has now received an order for services as part of an option included in the signed agreement. The order value amounts to approximately 3,6 MSEK and services will be delivered continuously until the first quarter of 2018.

Provision of new services

The services ordered by FMV may include storage maintenance, system maintenance, training and technical investigations. The agreement, entered by both parties in 2015, includes options for supplementary orders worth a total of 38,4 MSEK, where FMV has now ordered services for approximately 3,6 MSEK.

The delivery of services begins immediately and continues up to and including the first quarter of 2018.

The most important thing for us as a company is that we meet our customers' needs, regardless of whether it is about our solutions or services. We value our customers returning to us and we see it as

a sign that the service we deliver is of the highest quality.
