ACG NAMES POWERPLAN ONE OF GEORGIA'S TOP 10 FASTEST GROWING COMPANIES

Atlanta-based enterprise software firm honored for sustained growth in revenue, employment among Upper Middle-Market Companies

ATLANTA – June 26, 2014 – PowerPlan, the leading provider of accounting, tax and capital budgeting optimization solutions for asset-intensive businesses, has been recognized by the Atlanta chapter of the Association for Corporate Growth (ACG) as one of Georgia's fastest growing companies for 2014.

Earning the 10th spot among Upper Middle-Market Companies on the annual Georgia Fast 40 list, PowerPlan was honored at the Georgia Fast 40 awards dinner and gala, held June 19, 2014 at the Intercontinental Hotel Buckhead in Atlanta.

"Being recognized by the ACG Georgia Fast 40 is a testament to the quality of our solutions provided to our customers over our 20 year history," said PowerPlan Chief Executive Officer John Andrus. "It's PowerPlan's employees and our dedication to customer success that make recognitions like this possible."

This is the second year in a row that PowerPlan has been recognized with the Georgia Fast 40 award. Additionally, PowerPlan was recently named as a member of the Red Herring Top 100 North America for 2014.

To qualify for the Georgia Fast 40, for-profit companies must be headquartered in Georgia and have three years of verifiable revenue and employment growth, with the most recent year-end revenues ranging from \$15 million to \$60 million in the Lower Middle-Market category and from \$60 million to \$500 million in the Upper Middle-Market category. Rankings are objectively based on weighted three-year average growth in revenue and employment.
