

Duroc announces new financial calendar

Stockholm 13 July 2017. Duroc AB (ticker: DURC) today announced its new financial calendar.

As previously announced, Duroc's EGM on 15 June, 2017, decided to amend the Articles of Association so that the fiscal year changes from calendar year to July 1st - June 30th. The change meant that the 2017 fiscal year ended 30 June, 2017 and as previously announced, Duroc's Year-End Report for 2017 will be published 28 August.

New financial calendar

Year-End Report 2017	28 August, 2017
AGM 2017	26 October, 2017
Interim report, August – October	7 November, 2017
Interim report, August – January	9 February, 2018
Interim report, August – April	7 May, 2018
Year-End report 2017/2018	27 August, 2018

The background to the change in fiscal year is that in February 2017, the company acquired the International Fibers Group Group (IFG), with July 1st - June 30th as fiscal year. Since it is expedient that all companies in Duroc have the same fiscal year, and taking into account the size of IFG in relation to the previous Duroc Group, it was considered appropriate to change the entire Group's fiscal year from calendar year to July 1st - June 30th.
