

Acquisition of BonarAgro completed according to plan

The earlier announced (press release 2017-07-11) acquisition has now been finalized according to plan. The new company will be named IFG Cresco and is a subsidiary to Exelto within the IFG group

IFG Cresco, based in Lokeren, Belgium, is a leading producer and supplier of innovative screens and ground covers for the agriculture and horticulture industries. The company has a wide range of applications, including greenhouse climate control, water distribution, weed control and mushroom growing. The products are sold worldwide through IFG Cresco's own sales organization. IFG Cresco's turnover is approximately € 20 m and the company has about 180 employees.
