About Teresa Collins: Living a creative life is a daily passion for Teresa Collins and her goal is to inspire others to join her passion. A designer, teacher, and owner and founder of Teresa Collins Designs, she uses her interior design background to create designs that are both beautiful and meaningful. Collins has taught crafting classes in over 14 countries, including many sold-out events. She has a weekly show on My Craft Channel, regularly appears on ABC4 Good Things Utah and has authored and contributed to many craft and home decor idea books and magazines. Collins draws inspiration from her world travels, visits to local thrift shops, and experiences shared by her supportive family. TeresaCollinsDesignsBlog.com
