

# Clearing Tools

## Take Back the Backyard

A smarter way to clear, cut back and remove unwanted growth with five different tools to fit a range of clearing needs

## Superior Efficiency & Versatility

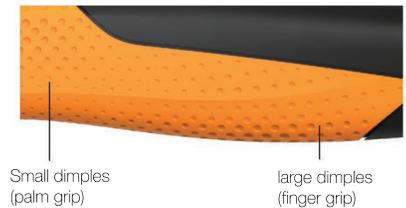

One-handed use makes it easy to grab and pile cuttings, and ultra-sharp blades with a low-friction, rust-resistant coating glide through tough materials without sticking

## Performance Handle Design

Optimized design maximizes comfort and control while providing versatile hand positioning

## Intelligent Texture Pattern

Strategically varied texture features large dimples where fingers rest for maximum grip and small dimples where the palm rests to help prevent blisters

## Full Lifetime Warranty
