

Fiskars Total Control® Precision Scissors

Designed to increase comfort and control for intricate, repetitive cutting through a variety of materials.

Non-stick Precision Scissors

Control

- Easy Action™ handle design utilizes thumb power allowing for better control and less hand movement

Ergonomic Comfort

- Optimized handle angle reduces wrist and hand fatigue during cutting
- Softgrip® touchpoints provide maximum comfort during detail and repetitive cutting

Cutting Performance

- Micro-tip blades offer unmatched cutting precision on a variety of materials

Product Offerings

- Total Control® Non-stick Precision Scissors
 - Prevents gummy build-up with sticky materials
- Total Control® RazorEdge™ Precision Scissors
 - Features sharp, stainless steel blades that glide through fabric for clean cuts all the way to the tip

Full Lifetime Warranty

RazorEdge™ Precision Scissors
