

# Fiskars New Kitchen Tools

## Summit™ Knives

Handle shape and design automatically guides hand to ideal grip for more efficient and controlled cutting

- Pinch-grip zone with Softgrip® texture gives superior comfort and control
- Premium Japanese-grade stainless steel provides long-lasting sharpness
- Dishwasher-safe blade guard protects sharp blade edge from damage during washing and storage
- Available in:
  - 8" Chef Knife
  - 6.5" Utility Knife
  - 6.5" Serrated Utility Knife
  - 5" Chef Knife
  - 3.5" Paring Knife

## Non-scratch Kitchen Shears

Cut directly in the pan or dish with surface-safe, easy-to-clean kitchen shears with a unique handle shape to keep hand away from hot food

- Ideal for cutting pizza, pastries, quesadillas, omelets and more
- Heat-resistant nylon base allows user to cut food without damaging surfaces
- Larger handle loops sculpted for comfort
- Stainless steel blades cut cleanly without disrupting toppings or smashing food
- Dishwasher-safe, separating blades allow for quick, easy cleaning

Full Lifetime Warranty
