

# A Very Wedgwood Christmas 2018

## *Gift and Decorating Guide*

Centering on the Georgian Christmas, renowned for introducing nature into Christmas celebrations, Wedgwood is inspired by the key icons of the Christmas period: Holly, Mistletoe, Wreaths, and Reindeer. Simplistic in its approach, the Wedgwood Christmas offers a pure and refined style that exudes elegance and functionality.

An authority on the dinner table, Wedgwood are introducing a comprehensive entertaining collection to decorate the Christmas table. Designed to complement existing core Wedgwood ranges, this collection uses platinum as an accent colour allowing you to mix and match the table scape with other Wedgwood white and platinum banded ranges such as Intaglio and English Lace.

For the tree, nature again forms the focus, with a twist of tradition and familiarity. Finished in blue and white, the core identity of the Wedgwood brand, our Christmas decorations focus on family and celebrations to celebrate this special time of year.
