# INDIAN SUMMER

Indian Summer brings a taste of the exotic into your home. Here's a collection for interior lovers with wanderlust; for those who look beyond familiar borders, finding inspiration in the arts, colours and styles they discover.

Oriental patterns combine with western interior design. Cosmopolitan prints and textures are layered creating unique finishes. Weathered effects and handcrafted design complete the range.

This collection evokes fond memories of past travels and journeys, taking you back to those places, those aromas, those feelings; It's a collection made for global-inspired interiors.
