

Birdstep Capital Markets Day 2009

Invitation to Birdstep Capital Markets Day in Oslo

You are cordially invited to Birdstep's Capital Markets Day in Oslo on Thursday October 8, 2009. You can also attend the live webcast of the event.

Take this opportunity to get updated on Birdstep's marketplace, product portfolio and strategy. Torbjörn Sandberg, Chief Executive Officer and President of Birdstep Technology ASA, and the management team will present Birdstep's view on growth opportunities for the four product areas, customer needs and future developments. Focus will be on the company's strategy to enhance growth in the Mobile Broadband Market.

At the Birdstep Capital Markets Day you will hear about:

- Financial overview
- The market place, the players and the eco system
- Market trends and business potential
- Customer challenges and Birdstep solutions
- Birdstep product portfolio - today and tomorrow
- Strategy for growth
- Questions and Answers
