10. Election of new auditor

Norwegian Property ASA aims to have regular assessments by the Audit Committee of the independent external auditor. The company has since the stock exchange listing in 2006 had good experiences with Deloitte AS as auditor. In accordance with good corporate governance, the Audit Committee of Norwegian Property ASA conducted in 2011 a thorough review and consideration of relevant candidates for independent audit.

The Board of Directors supports the Audit Committee's statement, and proposes that the General Meeting elects PricewaterHouseCoopers AS as the new independent auditor for the company.

11. Handling of the Board of Directors' statement regarding the specification of salaries and other remuneration to the management pursuant to Section 6-16a of the Norwegian Public Limited Liability Companies Act

Pursuant to Section 6-16a of the Norwegian Public Limited Liability Companies Act, the Board of Directors has prepared a statement regarding the specification of salaries and other remuneration to the management. The statement is included as note 20 to the group accounts for Norwegian Property ASA for the financial year 2011, which pursuant to the

last paragraph of Section 8 of the Articles of Association is made available on the company's website www.norwegianproperty.no. An advisory vote is to be held at the General Meeting concerning the statement, in contrast to item 2 of the statement regarding the principles for bonus payments which is subject to a binding vote by the General Meeting.

12. Statement on corporate governance pursuant to Section 3-3b of the Norwegian Accounting Act

Pursuant to Section 5-6 (4) of the Norwegian Public Limited Liability Act, the General Meeting shall consider the statement on corporate governance submitted in accordance with Section 3-3b of the Norwegian Accounting Act. The statement is made available on the company's website www.norwegianproperty.no. At the General Meeting, the Chairman of the Board of Directors will describe the main contents of the statement. The statement is not subject to the General Meeting's vote.

13. Power of attorney for the Board of Directors to increase the share capital

It is proposed that the Board of Directors is granted a power of attorney to increase the share capital by up to NOK 24,925,000 by subscription of new shares, equivalent to just below 10% of the current share capital. The Board of Directors proposes that the power of attorney also is limited so that the Board of Directors' issuance of shares pursuant to powers of attorney granted in accordance with items 13 and 14 in aggregate does not exceed 10% of the current share capital.

Pursuant to "The Norwegian Code of Practice for Corporate Governance", separate votes should be held for each purpose when a power of attorney to the Board of Directors is intended to cover several purposes.

The grounds for the proposal are that the Board of Directors wishes to be able to issue new shares:

- A. Through private placements against contributions in cash and/or
- B. As settlement in transactions involving real property

In light of the purposes, it is proposed that the Board of Directors may resolve to deviate from the existing shareholders' preferential right to the new shares.

On this background, the Board of Directors proposes that the General Meeting adopts the following resolution:

- 1. In accordance with Section 10-14 of the Norwegian Public Limited Liability Companies Act, the Board of Directors is granted a power of attorney to increase the company's share capital by up to NOK 24,925,000.*
- 2. The power of attorney is valid until the company's Annual General Meeting in 2013, but no longer than 30 June 2013.*
- 3. The preferential right of the existing shareholders to subscribe for the new shares pursuant to Section 10-4 of the Norwegian Public Limited Liability Companies Act may be deviated from.*

4. *The power of attorney does comprise share capital increase against contribution in kind, cf Section 10-2 of the Norwegian Public Limited Liability Companies Act.*
5. *The power of attorney does comprise share capital increase in connection with mergers pursuant to Section 13-5 of the Norwegian Public Limited Liability Companies Act.*
6. *Upon registration with the Norwegian Register of Business Enterprises, the power of attorney will replace the power of attorney granted the Board of Directors at the Annual General Meeting held 5 May 2011.*
7. *The Board of Directors' aggregate use of powers of attorney granted by the Annual General Meeting to issue new shares shall not exceed 10% of the share capital.*

14. Power of attorney for the Board of Directors to raise a convertible loan

It is proposed that the Board of Directors is granted a power of attorney to raise a convertible loan of NOK 750,000,000 in total. The reason for such power of attorney is to enable the Board of Directors to issue new shares in combination with new debt in order to, *inter alia*, optimize the funding structure in Norwegian Property ASA.

The Board of Directors proposes that the power of attorney is limited, partly so that the company's share capital only can be increased by an amount just below 10% below the current share capital, and partly so that the Board of Directors' issuance of shares pursuant to powers of attorney granted in accordance with items 13 and 14 in aggregate does not exceed 10% of the current share capital.

It is proposed that the Board of Directors may resolve to deviate from the existing shareholders' preferential right to subscribe for the loan pursuant to Section 11-4, cf Sections 10-4 and 10-5, of the Norwegian Private Limited Liability Companies Act. The reason for this proposal is, *inter alia*, that the power of attorney may be used in connection with private placements.

The Board of Directors proposes that the General Meeting adopts the following resolution:

1. *In accordance with Section 11-8 of the Norwegian Public Limited Liability Companies Act, the Board of Directors is granted a power of attorney to raise a loan of up to NOK 750,000,000 with the right to require shares to be issued.*
2. *If the power of attorney is used, the company's share capital may be increased by up to NOK 24,925,000.*
3. *The power of attorney is valid until the company's Annual General Meeting in 2013, but no longer than 30 June 2013.*
4. *The preferential right of the existing shareholders to subscribe for the loan pursuant to Section 11-4, cf Sections 10-4 and 10-5, of the Norwegian Public Limited Liability Companies Act may be deviated from.*

5. *The subscription price and other subscription conditions shall be determined by the Board of Directors. The Board of Directors' use of powers of attorney granted by the Annual General Meeting to issue new shares shall not exceed 10% of the share capital.*

15. Power of attorney for the Board of Directors to purchase own shares

It is proposed that the Board of Directors is granted a power of attorney to purchase own shares with a total nominal value of up to NOK 24,925,000, which is equivalent to just below 10% of the current share capital.

The reason for the proposal is to enable the Board of Directors to utilize the mechanisms that the Norwegian Public Limited Liability Companies Act gives access to, in situations where this is considered as attractive for the shareholder community, including in connection with a potential share program for employees.

The Board of Directors proposes that the General Meeting adopts the following resolution:

1. *In accordance with Section 9-4 of the Norwegian Public Limited Liability Companies Act, the Board of Directors is granted a power of attorney to, on behalf of the company, purchase own shares with a total nominal value of up to NOK 24,925,000, which is equivalent to just below 10% of the current share capital.*
2. *The maximum amount which can be paid for each share is NOK 50 and the minimum NOK 1.*
3. *Acquisition and sale of own shares may take place in any way the Board of Directors may find appropriate, however not by subscription of own shares.*
4. *The power of attorney is valid until the company's Annual General Meeting in 2013, but no longer than 30 June 2013.*

Recommendations from the nomination committee of Norwegian Property ASA

The nomination committee of Norwegian Property ASA comprises:

Tom Furulund, chair
Pål Hvammen, member

The composition of the committee ensures that the interests of the shareholders in general are protected. The present members of the committee are independent of the board of directors and the executive management, and neither is represented on the board of directors. The chief executive or other members of the executive management do not sit on the committee.

Information on the membership of the committee is also posted on the company's website at www.norwegianproperty.com. Deadlines for submitting proposals to the committee and information on how to contact it are also posted on the web site.

The committee has held several meetings since the annual general meeting in 2011. The chair of the board has given the nomination committee a review and evaluation of the directors' work during 2011. In line with good corporate governance practice, the committee has assessed the need for changes in the composition of the board and the nomination committee. During its work, the committee has been in contact with various shareholders, directors and members of the administrative management. The committee has actively sought the views of the shareholders in general in order to entrench its recommendations with them. During its work, the committee has been able to draw on resources in the company, and to seek advice and recommendations from sources outside the company.

In connection with Norwegian Property's annual general meeting of 12 April 2012, the committee would make the following unanimous recommendations:

1. Board of directors

Pursuant to the company's articles of association, the board will comprise three-nine members. The present board of Norwegian Property comprises chair Arvid Grundekjøn, deputy chair Nils K Selte, and directors Synne Syrrist, Gry Mølleskog and Jon Erik Brøndmo.

The board of directors was elected at the annual general meeting in 2010 for a two-year term, and all the directors are up for election this year. Mr Grundekjøn has informed the nomination committee that he does not wish to be re-elected.

In its work, the committee has given emphasis to preserving continuity on the board while strengthening its property expertise. The committee recommends the re-election of Mr Selte, Ms Syrrist, Ms Mølleskog and Mr Brøndmo for a two-year term. It also recommends that Mr Selte be elected chair and Ms Syrrist deputy chair. Further information on the directors recommended for re-election can be found in the annual report.

The committee recommends Gunnar Bøyum as a new director for a two-year term. A curriculum vitae for Mr Bøyum is attached.

2. Nomination committee

The committee comprises Tom Furulund, chair, and Pål Hvammen, member.

The committee was elected at the annual general meeting in 2010 for a two-year term, and its members are up for election this year. Pursuant to the company's articles of association, the committee will comprise two-three members, and it is recommended that the committee be enlarged with a new member.

The committee recommends that Mr Furulund and Mr Hvammen be re-elected for a further two-year term, and that Mr Furulund continues to chair the committee. Marianne Johnsen is recommended as a new member of the committee for a two-year term. A curriculum vitae for Ms Johnsen is attached.

3. Remuneration of the board of directors

The directors had a normal workload in 2011. The nomination committee has conducted a review of directors' fees, and proposes the following remuneration for directors:

Chair: NOK 750 000

Deputy chair: NOK 400 000

Directors: NOK 275 000

The proposed remuneration for directors reflects the board's responsibility, expertise and commitment of time as well as the complexity of the company's operations. Remuneration for the chair and deputy chair is set higher than for other directors because of the additional responsibilities and obligations inherent in these offices.

4. Remuneration of the nomination committee

The following remuneration for nomination committee is proposed:

Chair: NOK 25 000

Member: NOK 15 000

The proposed remuneration for members of the committee reflects the character of their duties and the commitment of time involved.
