Enea has come to a 20 MSEK settlement agreement with a large customer

Stockholm, Sweden, April 4, 2019 Enea® (Nasdaq Stockholm: ENEA)

Enea has come to a settlement agreement with the large customer with which Enea has had a long discussion resulting, among other things, in an arbitral award in January 2018. The settlement covers historic royalty payments up to and including 2018 and entitles Enea to an additional amount of 20 MSEK. The full amount will be recognized in the first quarter 2019. This marks the end and full closure of a multi-year discussion with the customer. “We are happy to have come to this settlement and expect that this agreement will also contribute to a re-start of a mutually beneficial and continued cooperation with this large customer.”, says Anders Lidbeck, President & CEO Enea AB.
