Enea signs 1.5 MEUR agreement for Access Management

Stockholm, Sweden, July 25, 2019, Enea® (Nasdaq Stockholm: ENEA)

Enea has signed a 1.5 MEUR agreement for access management software (authentication, authorization, and accounting - AAA) with a German mobile network operator.

The contract, which is part of Enea's expected business volume, includes software licenses as well as associated services, support and maintenance. Services and software licenses account for around 45 percent of revenues, where the larger part is booked during the second half of 2019. The support and maintenance part of the contract is recognized as recurring revenues during 2020 and 2021.

Enea's policy and access control products target existing 4G systems, as well as the upcoming 5G architecture of mobile networks. Every day, more than 300 million subscribers around the world rely on Enea's software for Policy and Access control.

"This Access Management software contract reinforces our position as a supplier of network applications for tomorrow's mobile networks", says Jan Häglund, President and CEO, Enea.
