

Uppsala December 17, 2015

**PRESS RELEASE**

**Nomination committee appointed for Annual General Meeting 2016**

A decision was taken on June 3, 2015 at the Annual General Meeting for AroCell AB (publ) that a nomination committee should be appointed and should consist of three members, comprised of the three largest shareholders on September 30, 2015, and the Chairman of the Board.

The nomination committee has been appointed accordingly, based on shareholdings on September 30, 2015:

Bernhard Tribukait, representing his own shareholdings  
Arne Ferstad, representing his own and related shareholdings  
Staffan Eriksson, representing his own and related shareholdings  
Erik Walldén, Chairman of the Board

Arne Ferstad has been appointed as chairman of the nomination committee.

The nomination committee collectively represents approximately 11.7 percent of shareholder votes in AroCell AB (publ).

The Annual General Meeting will be held in Uppsala, Sweden on May 18, 2016.

Shareholders who wish to contact the nominating committee may do so by email to [info@arocell.com](mailto:info@arocell.com) or by letter to:

**About AroCell AB (publ)**

*AroCell AB is a Swedish company that develops standardized modern blood tests to support the prognosis and follow up of cancer patients. AroCell's new technology is based on patented methods to measure TK1 protein levels, which provide valuable information about the speed of cell turnover. A tumor has high cell turnover (speed of cell division and cell*
