

G5 releases new match-3 puzzle *Jewels of Rome* for worldwide pre-order

G5 Entertainment announces the availability of the pre-order for its new free to play Match-3 puzzle, *Jewels of Rome*, in the Apple App Store.

The game features hundreds of puzzle-matching levels aimed at restoring a once-prosperous settlement in a remote corner of the Roman Empire. The game is simple to understand but challenging to master. Different match-3 mechanics give players a new and exciting experience within the match-3 genre.

As with all newly developed G5 games *Jewels of Rome* has the G5 Friends network built in, making it possible to play with your friends.
