

G5 Entertainment releases new Match-3 puzzle game Martha's Mystery in Poland

G5 Entertainment announces the release of its new free-to-play Match-3 puzzle game, Martha's Mystery, currently only available in the Google Play Store and limited to Poland. The gradual rollout across all other countries and platforms to follow soon.

In Martha's Mystery, players are transported back in time to the legendary roaring '20s to help Martha "Matty" Morgan investigate and solve a thrilling case, the murder of her beloved husband, in which she has become the prime suspect. In this story-driven Match-3 puzzle game, players can immerse themselves into a thrilling storyline full of mystery and entertaining predicaments. And whilst players blast through the challenging levels, they can be inspired by the once prosperous era and the bright and colorful atmosphere of Times Square, The Statue of Liberty, and swanky speakeasies.

As with all new G5 games, Martha's Mystery has G5 Friends network built-in, making it possible to play with friends.
