Press release issued by DDM Holding AG

18 January 2017

DDM Holding AG (First North: DDM), a specialist investor in and manager of non-performing loans and distressed assets, has signed and closed an acquisition of a portfolio of distressed assets from a leading bank in the Czech Republic. The total investment amounts to approximately EUR 5 million.

The acquisition is fully financed by cash on hand within DDM.

“This investment is in line with our main business focus. We are very happy to be able to finance this acquisition with our cash on hand despite the large repayments we made on our loans during the fourth quarter of last year”, says Gustav Hultgren, CEO of DDM.
