

Roger Ekström to leave Lundbergs

After 19 years in various positions within Lundbergs, Roger Ekström has now chosen to leave his positions as Communications Director of L E Lundbergföretagen AB and Vice President of Fastighets AB L E Lundberg.

“Roger has been a very committed and loyal employee when it comes to both the operational roles and staff functions he has held over the years,” says Fredrik Lundberg, CEO of Lundbergföretagen AB and Chairman of Fastighets AB L E Lundberg. “We would like to thank Roger for his efforts and wish him all the best in the future.”

“My time at the company has been fantastic, but it’s time for me to move on,” says Roger Ekström. “Clear, engaged owners combined with dedicated employees have made the job stimulating and fun. I will now move to Linköping for a new career and will also have an opportunity to deepen my commitment to the Linköping Hockey Club.”

“We are continuing our focus on being the leading developer of sustainable urban environments. In his current role, Roger is responsible for communication and sustainability. We intend to initiate the process of recruiting a successor immediately and believe that both internal and external solutions may be relevant. The most important thing for us now is to ensure we have the right skills when it comes to these areas,” says Louise Lindh, CEO of Fastighets AB L E Lundberg.

Roger Ekström will step down in September 2018 and the recruitment of a replacement will begin immediately.
